

CLUB HONOURS WINNING TEAMS

Since 1984, Maidstone Lawn Tennis Club has been thriving in competitions both in national and county events. Our club counts numerous successes especially in the Kent Inter Club League and Maidstone Leagues.

However, as far as our records and trophies on display could be traced back to as early as 2001.

Since then and up to 2017 in just over 15 years we have had a total of over 75 winning titles so approx. 5 per year which is not a bad effort – well done to past and current players. We look forward to more players joining our many teams at all levels to enjoy the sport and gain the club further honours in the future.

See attached link to club honours table since 2001.
